Plaintiff Janet Haley ("Haley") and Defendants Cohen & Steers Capital Management, Inc. ("Cohen & Steers") and David Edlin ("Edlin") (collectively, "Defendants") (collectively, "the Parties"), by and through their respective counsel, hereby stipulate with regard to an independent mental health examination under Rule 35 of the Federal Rules of Civil Procedure as follows:

**I. IDENTIFICATION AND PERSONAL INFORMATION**

Plaintiff recognizes the examiner's, Dr. Bernard S. Rappaport, need to identify Plaintiff at the time of the examination and will provide the following information:

1. Full name;
2. Date of birth;

1           3.       Current residence address;

2           4.       Social Security Number.

3           Plaintiff will not be required by Dr. Rappaport to complete any forms other than those  
4 that are part of the written tests identified in paragraph B(2) of this stipulation or provide  
5 Dr. Rappaport with the following:

6           1.       Residence telephone number;

7           2.       Medical insurance information or other insurance information.

8       **II.    EXAMINATION**

9           1.       Dr. Rappaport will conduct a mental examination of plaintiff on December 20,  
10 2011 commencing at 9:00 a.m. at 3 Altarinda Road, Suite 207, Orinda, CA 94563.

11          2.       Dr. Rappaport's psychiatric evaluation will consist of a mental status  
12 examination, an assessment of current functioning, delineation of the allegations, and exploration  
13 of concurrent mental health history and past mental health history. The examination will consist  
14 of the taking of a history, including family history, educational history and work history.  
15 Dr. Rappaport may employ widely accepted written tests, including the Minnesota Multiphasic  
16 Personality Inventory-2 (MMPI-2), among others. All of these tests and measures are routinely  
17 utilized by mental health care professionals when conducting independent mental examinations.  
18 Dr. Rappaport will agree to exchange said testing (raw data) with Plaintiff's expert psychologist  
19 Linda Barnard, Ph.D., 418 Alhambra Blvd., Sacramento, CA 95816, (916) 606-8748, within  
20 seven (7) days of the date of the independent mental health exam.

21          3.       Dr. Rappaport may ask, and Plaintiff shall answer, questions relating to the nature  
22 of events that Plaintiff claims were the cause of the emotional damages that are the subject of  
23 this action. Dr. Rappaport may also ask, and Plaintiff shall answer, questions about other  
24 stressors in Plaintiff's life that may have impacted and may continue to impact her mental health  
25 and/or mental state. To the extent that Plaintiff's intimate relationships have impacted and may  
26 continue to impact her mental health and/or mental state, Dr. Rappaport may inquire into such  
27 subjects. Dr. Rappaport shall not, however, inquire into the details of Plaintiff's sexual  
28 relationship with any person unless Plaintiff claims that she is suffering from sexual dysfunction

1 or problems as a result of wrongs she attributes to Defendant. Dr. Rappaport may also inquire  
2 into Plaintiff's general social history and the general social interactional patterns in which  
3 Plaintiff has engaged. Questions relating to Plaintiff's work environment and allegations set  
4 forth in the complaint will be permitted, but Dr. Rappaport should already be familiar with the  
5 case and Plaintiff's deposition so unduly repetitive questions are avoided and minimized.

6 4. No one other than Dr. Rappaport (or a designee appointed by Dr. Rappaport) and  
7 Plaintiff shall be present during the examination. All forms and questionnaires required in  
8 connection with the psychological testing must be completed by Plaintiff herself, without outside  
9 assistance of her counsel or any other person. Neither party may record the examination through  
10 audio, video, or other electronic means.

11 5. Dr. Rappaport shall be provided by Defendant's counsel copies of any medical  
12 records relating to the Plaintiff's emotional and mental health claims as alleged as part of this  
13 action prior to her examination by Dr. Rappaport. The parties agree to exchange written reports  
14 prepared by Dr. Rappaport and any individual retained by Plaintiff for the purpose of evaluating  
15 Plaintiff, pursuant to Rule 35(b) of the Federal Rules of Civil Procedure. Counsel for Plaintiff  
16 shall be provided with Dr. Rappaport's report within thirty (30) days of the examination or by  
17 the date required pursuant to the current Scheduling Order. Plaintiff also demands copies of any  
18 and all supplemental reports prepared by Dr. Rappaport. Dr. Rappaport's report, and any  
19 supplemental reports, will be marked as "CONFIDENTIAL" pursuant to the Stipulated  
20 Protective Order. Any and all of Dr. Rappaport's reports, notes, charts, and other documents will  
21 not be provided to any individual or entity outside of this litigation.

22 6. While testifying at trial, Dr. Rappaport may refer to a particular response or  
23 answer given by Plaintiff in response to any written testing device administered by the examiner.

24 7. The entire mental health exam shall be conducted during normal business hours,  
25 with an hour for lunch plus appropriate breaks, and shall last no more than seven hours.

26 8. This stipulation is being entered into pursuant to Federal Rule of Civil  
27 Procedure 35, and, except as expressly provided in the stipulation, the examination will be  
28 conducted pursuant to Federal Rule of Civil Procedure 35.

1           9.       A copy of this stipulation shall be forwarded to Dr. Rappaport and Dr. Rappaport  
2 shall acknowledge, in writing, that he will conduct the mental examination pursuant to the terms  
3 of this stipulation.

4 IT IS SO STIPULATED.
